"I have really enjoyed putting our latest wine list together - very much aimed for spring and summer time. I would as always, like to thank our fantastic wine suppliers; Ellis of Richmond, Armit Wines & The Vintner.

I recently made a trip to South Africa and had a wonderful time meeting some incredible wine makers and trying some stunning wines - many of which you will see on the new list. On my visit it was mid-harvest and I was able to spend some time working on a farm. It gives you such an understanding of the passion and love that goes into creating a wonderful bottle of wine. Hope you enjoy the new list!" Sam

SAM'S WINE OF THE MONTH FOR JULY

Sauvignon Blanc, 'John Martin', Backsberg Estate, Paarl, South Africa 2010 Glass 6.50 / Carafe 18.00 / Bottle 26.00

Producer: Backsberg Estate Cellars

Founded in 1916, this wonderful estate is located below `The Little Tower of Babylon` on the steep hillside vineyards in Paarl. This prominent producer has been at the forefront of quality wine production for many years. They constantly strive to produce the highest quality grapes using natural and organic principles. Alicia Rechner is back at the helm as winemaker and is well supported by viticulturalist Clive Trent.

Tasting Notes:

Grown on the cool climate coastal vineyards at Durbanville, this sensational wine has aromas of gooseberry, citrus blossom and cut grass. A part of the blend is left on its lees in oak barrels to capture creamy texture and influence the palate. Flavours of lime, fig and pear are complemented by natural citrus acidity making this vibrant, lively and full of expression.

What to drink with:

Great with our Rick Stein Indian dishes or with our Asian style salad.

SAM'S PERSONAL RECOMMENDATIONS - CRYSTALLUM WINES

"During my travels in South Africa, I had the pleasure of visiting a wonderfully small boutique winery called Crystallum which is situated in Hermanus in the Hemel-en-Aarde valley. Winemaker Peter-Allan is producing some really fantastic wines here and I knew I just had to have them on the list at Sam's." Sam

'The Agnes' Chardonnay, Walker Bay, South Africa 2010 Bottle 39.00

Fruit for this wine is produced from three different vineyard sites in the Hemel-en-Aarde and Overberg regions. These regions offer differences in terroir and add complexity to the finished wine.

The nose is perfumed and complex with tropical notes accompanied by lemongrass and floral tones. The palate is zesty with strong lemon and lime flavours coating a textured, fleshy core.

Really grown-up Chardonnay.

'Clay Shales' Chardonnay, Walker Bay, South Africa 2011 Bottle 45.00

The Clay Shales Chardonnay is made from fruit grown in a single vineyard in the mountains behind the town of Hermanus. This region is characterised by a moderate climate that results in delayed ripening and a late harvest.

A classic Chardonnay, complex and alluring. The nose is floral and perfumed with apple, peach and butterscotch notes. The palate is beautifully balanced with a full, textured mouth feel and fine, fresh acidity.

When I tried this I just knew we had to serve it at Sam's.

'Peter Max' Pinot Noir, Walker Bay, South Africa 2011 Bottle 44.00

The Peter Max Pinot Noir is crafted from fruit sourced from three different vineyards (Elgin, Hemel-en-Aarde Ridge and Bot River) to form the origins of the blend.

The 2011 is elegant with aromas of wet earth, clove and savoury notes complemented by vanilla and violet notes. The palate is dense and finely textured.

Pinot Noir is my favourite grape and I just adore this wine.

'The Cuvee Cinema' Pinot Noir, Walker Bay, South Africa 2011 Bottle 57.00

The Cuvee Cinema Pinot Noir is produced from fruit grown from a single vineyard - one of the highest in the Hemel-en-Aarde region. This region is characterised by a moderate climate which results in delayed ripening and a late harvest.

Bright and rich in colour, the 2011 is seductive and succulent with spicy, cinnamon lead notes on the nose. The palate is fresh and lengthy with soft and restrained tannins.

If you want to treat yourself...

"It's a long way from the Southern tip of Africa but I couldn't ask for a better place than Sam's Brasserie to have my wines." Peter-Allan Finlayson, Crystallum winemaker
